Mrs. Right Seminar: The Truth About What Men Really Want in a Wife.

FOR IMMEDIATE RELEASE

Atlanta, GA May 14, 2012, Tony Gaskins is a highly sought after life/relationship coach and motivational speaker he uses his real life experiences to relate, educate, and liberate others. Learning from his mistakes allowed him to turn his mess into a message providing him with the opportunity to help others get out of their own way. So many want love but do not know how to get it and keep it; until now. Gaskins' latest release is his tell—all book, *Mrs. Right: A woman's guide to becoming and remaining a wife*. He wrote this book to level the playing field, giving women real insight and wisdom on what goes on in a man's mind. The following is an excerpt from *Mrs. Right*:

"You can heal from the pain of the past. Time heals all wounds. Be patient. Be kind to yourself and start loving yourself all over again. Take your time and learn what real love is. If you rush it, you will ruin it. There is a great man in preparation for you right now. You can't force love, you must first become love and then you will attract love. Just like after every storm there's a rainbow, after every hurt there is healing. Take your time moving forward and let the necessary occur."

With rave reviews on Amazon it seems that he's hit the mark. Now he is gearing up to tour the world with his *Mrs. Right Seminar*, which is a women's only seminar that will be a no holds—barred experience! He is giving his all in his attempt to right his wrongs, and bring about a change in the way the sexes relate to one another. The first stop is in Atlanta, Georgia at the Cobb Galleria Centre; women will hear *The Truth About What Men Want in a Wife* in addition guests will be able to participate in a one hour Q & A session with Mr. Gaskins.
